

DON'T RISK

2ND RATE SAFETY

THE PROPOSED NATIONAL OHS LAWS COULD PUT AUSTRALIAN WORKERS AT RISK.

Australia has a once-in-a-generation opportunity to harmonise Occupational Health & Safety laws and protect workers with the world's best safety standards. **To help get safer workplaces talk to your union health and safety representative today, go to www.rightsatwork.com.au/ohscampaign, or phone 1300 4 UNION**
