

TONY ABBOTT ADMITS YOU CAN'T BELIEVE WHAT HE SAYS.

SO HOW CAN YOU BELIEVE WHAT HE SAYS ABOUT WORKCHOICES?

No matter what Tony Abbott says about WorkChoices, you simply can't believe him. How do you know? Because he said so - on national television.

That's right. According to the Opposition Leader, statements he makes aren't *'gospel truth'* unless they're *'carefully prepared scripted remarks.'*

So consider this; Tony Abbott has said *"the phrase WorkChoices is dead."*

But he also talks about *'taking the monkey of unfair dismissal off the back of small business'*, making *'flexibility agreements more flexible'* and *'transitional employment agreements less transitional.'*

In other words he will bring all the injustice of

~~WorkChoices~~
Whatever the name, never again.

WorkChoices - whatever name he gives it - back from the grave.

Australia has every reason to ask Tony Abbott what his double talk about WorkChoices really means.

But absolutely no reason to believe him.
